For Mom, my first moviegoing buddy

## **Acknowledgments**

I couldn't have completed the research and interviews and, quite simply, had the time to finish assembling this snapshot of an era of cinematic history without the love and support of my wife, Brandy, and my two children, Max and Molly.

I would also like to thank Jocelyn Jones and Tim Matheson for their time and their insights into being a part of the Harry Callahan universe. You both brought so many details into focus with your firsthand accounts.
